

# ONCE IN A BLUE MOON

## *High-grade gold in Bendigo*

COMPANY PRESENTATION | AUGUST 2025

NOT FOR RELEASE TO U.S WIRE SERVICES  
OR DISTRIBUTION IN THE UNITED STATES

ASX : FAL

# Important Notice and Disclaimers

This presentation has been prepared by Falcon Metals Ltd ACN 651 893 097 (Company). It contains general background information only which is current at the date of this presentation unless otherwise specified. It contains selected summary information and does not purport to be all-inclusive, comprehensive or to contain all of the information that may be relevant, or which a prospective investor may require in evaluations for a possible investment in the Company. Prospective investors should not rely on the information contained in this presentation and must satisfy themselves as to the accuracy of all such information. This presentation has been prepared based on information available at the time of preparation and is subject to change without notice. In receiving this presentation, each recipient agrees to the foregoing terms and conditions, including any modifications to them. No person is under any obligation to update this presentation at any time after its release.

This presentation is provided for general information purposes only. This presentation does not constitute an offer, invitation, solicitation or recommendation with respect to the purchase or sale of securities in the Company in any jurisdiction. It is not a prospectus, product disclosure statement, pathfinder document or any other type of public offer disclosure document for the purposes of the Corporations Act 2001 (Cth) (Corporations Act) and has not been, and is not required to be, lodged with the Australian Securities and Investments Commission. It should not be relied upon by the recipient in considering the merits of the Company, or the acquisition of shares in the Company.

This presentation does not constitute investment or financial product advice. It is not intended to be used as the basis for making a financial decision, nor is it intended to constitute legal, tax, accounting or other advice. This presentation has been prepared without taking account of any person's individual investment objectives, financial situation or particular needs. Before making an investment decision, the recipient should consider its own financial situation, objectives and needs, and conduct its own independent investigation and assessment of the contents of this presentation, including obtaining investment, legal, tax, accounting and such other advice as it considers necessary or appropriate. Any references to or explanations of legislation, regulatory issues, benefits or any other legal commentary (if any) are indicative only, do not summarise all relevant issues and are not intended to be a full explanation of a particular matter. The information in this presentation has been obtained from and based on sources believed by the Company to be reliable. Past performance is not an indication of future performance.

This presentation may contain forward-looking statements, guidance, forecasts, estimates, prospects, projections or statements in relation to future matters that may involve risks or uncertainties and may involve significant items of subjective judgement and assumptions of future events that may or may not eventuate (Forward Statements). Forward Statements can generally be identified by the use of forward looking words such as "anticipate", "estimates", "will", "should", "could", "may", "expects", "plans", "forecast", "target" or similar expressions. Forward Statements including indications, guidance or outlook on future revenues, distributions or financial position and performance or return or growth in underlying investments are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. To the extent that certain statements contained in this presentation may constitute 'Forward Statements' or statements about forward looking matters, then the information reflects the Company's (and no other party's) intent, belief or expectations as at the date of this presentation. No independent third party has reviewed the reasonableness of any such statements or assumptions. None of the Company, their related bodies corporate and their respective officers, directors, employees, advisers, partners, affiliates and agents (together, the FAL Parties) represent or warrant that such Forward Statements will be achieved or will prove to be correct or gives any warranty, express or implied, as to the accuracy, completeness, likelihood of achievement or reasonableness of any Forward Statement contained in this presentation. Except as required by law or regulation, the Company assumes no obligation to release updates or revisions to Forward Statements to reflect any changes. Recipients should form their own views as to these matters and any assumptions on which any of the Forward Statements are based and not place reliance on such statements.

All dollar values are in Australian dollars (\$) or A\$) unless otherwise stated.

An investment in the Company's securities is subject to known and unknown risks, many of which are beyond the control of the Company, including factors and risks specific to the industry in which the Company operates as well as general economic conditions, prevailing exchange rates and interest rates and conditions in the financial markets. The Company does not guarantee any particular rate of return or the performance of the Company, nor does it guarantee any particular tax treatment. Prospective investors should make their own enquiries and investigations regarding all information in this presentation, including the assumptions, uncertainties and contingencies which may affect future operations of the Company and the impact that different future outcomes may have on the Company.

The distribution of this presentation to persons or in jurisdictions outside Australia is restricted by law and any person into whose possession this document comes should seek advice on and observe those restrictions, including those set forth in the "International Offer Restrictions" section of this presentation. Any failure to comply with such restrictions could constitute a violation of applicable securities laws. In particular, this presentation may not be released to US wire services or distributed in the United States. The presentation does not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States or any jurisdiction in which such an offer would be illegal. The securities described in this presentation have not been, and will not be, registered under the US Securities Act of 1933 or the securities laws of any state or other jurisdiction of the United States. Accordingly, the securities described in this presentation may not be offered or sold in the United States except in transactions exempt from, or not subject to, the registration requirements of the US Securities Act and applicable US state securities laws.

No party other than the Company has authorised, permitted or caused the issue, submission, dispatch or provision of this presentation, or takes any responsibility for, or makes or purports to make any statement, representation or undertaking in this presentation and there is no statement in this presentation that is based on any statement by any other party. No person, either as a director, partner of or in the employment of the Company has any authority to make, imply, or give any representation or warranty whatsoever in relation to the information contained in this presentation. None of the FAL Parties take any responsibility for any information in this presentation or any action taken by you on the basis of such information.

To the maximum extent permitted by law, the FAL Parties:

- exclude and disclaim all liability, including (without limitation) any liability for fraud or negligence, for any expenses, losses, damages or costs incurred either as a result of the information in this presentation being inaccurate or incomplete in any way for any reason, or otherwise arising in connection with this presentation; and
- make no representation or warranty, express or implied, as to the currency, accuracy, reliability or completeness of information in this presentation.

## JORC Code differs from reporting requirements in other countries

It is a requirement of the ASX Listing Rules that the reporting of ore reserves and mineral resources in Australia comply with the JORC Code. Investors outside Australia should note that while ore reserve and mineral resource estimates of the Company in this document comply with the JORC Code, they may not comply with the relevant guidelines in other countries and, in particular, do not comply with (i) National Instrument 43-101 (Standards of Disclosure for Mineral Projects) of the Canadian Securities Administrators or (ii) Item 1300 of Regulation S-K, which governs disclosure of mineral reserves in registration statements filed with the US Securities and Exchange Commission. Information contained in this presentation describing mineral deposits may not be comparable to similar information made public by companies subject to the reporting and disclosure requirements of other countries. You should not assume that quantities reported as "resources" in this presentation will be converted to reserves under the JORC Code or any other reporting regime or that the Company will be able to legally and economically extract them.

## Competent Person Statement

The information contained within this Presentation concerning the Company's Exploration Results was first reported in accordance with ASX Listing Rule 5.7 in the following ASX announcements:

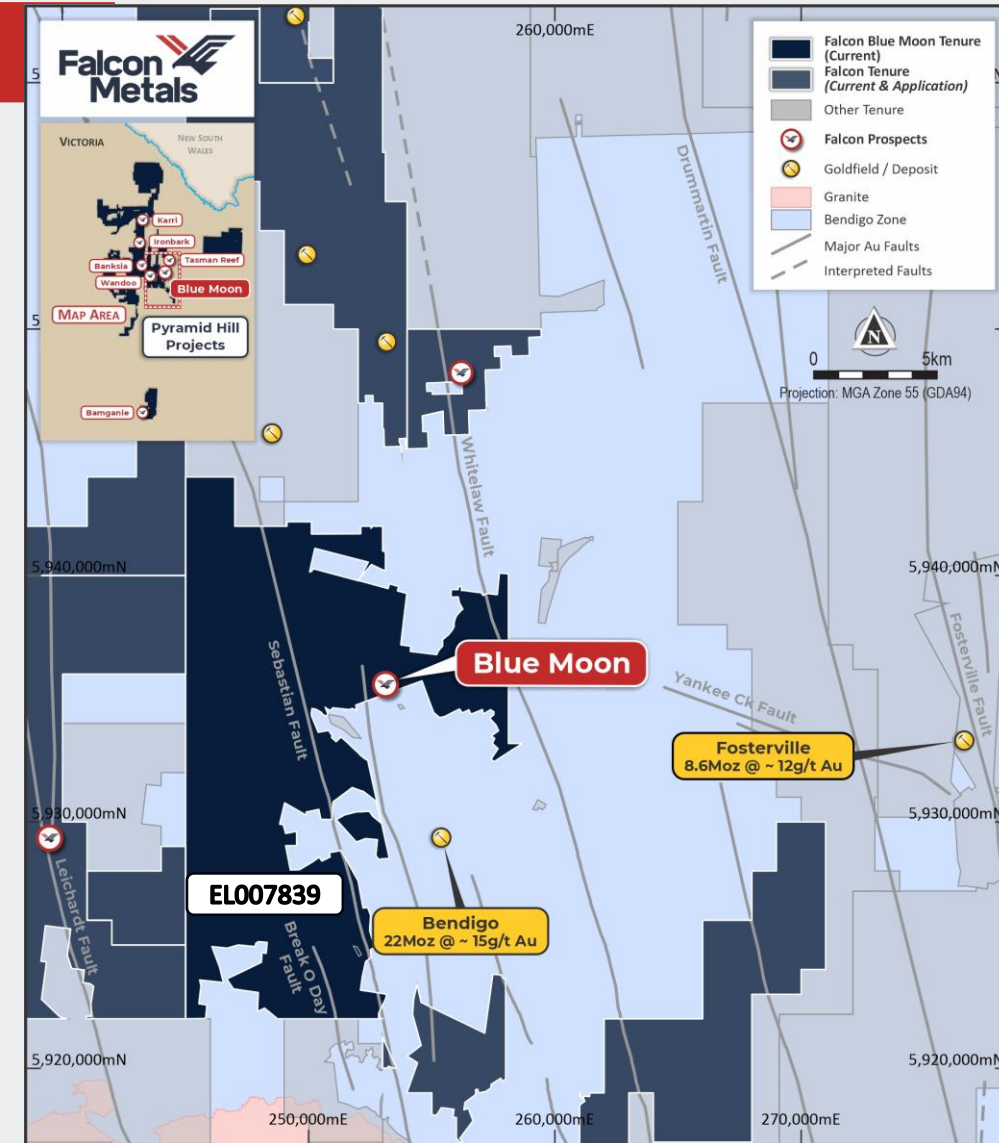

- "Multiple High-Grade Gold Intercepts At Ironbark East" released to the ASX 14 February 2023
- "Targets Upgraded at the Pyramid Hill Gold Project" released to the ASX 14 June 2023
- "Drilling at Bamganie Gold Prospect Confirms 1KM Long Trend" released to the ASX 11 January 2024
- "High-grade Mineral Sands Intersected at Pyramid Hill" released to the ASX 4 March 2024
- "High-Grade Mineral Sands Discovery" released to the ASX 28 May 2024
- "Favourable Metallurgical Characteristics at Farrelly" released to the ASX 29 August 2024
- "Land Access Update at the Farrelly Deposit" released to the ASX 5 September 2024
- "Falcon Acquires Craton Margin Gold Project In WA" released to the ASX 27 November 2024
- "Positive Mineralogical Results at Farrelly: released to the ASX on 24 March 2025
- "Regional Scale Gold Target Emerging at Pyramid Hill" released to the ASX on 24 April 2025
- "Drilling at Blue Moon Confirms Bendigo-style Mineralisation" released to the ASX on 3 July 2025
- "First Wedge Hole at Blue Moon Returns 1.2m at 543 g/t Au" released to the ASX on 11 July 2025
- "Visible gold identified in multiple stacked veins at Blue Moon" released to the ASX on 5 August 2025

which are available to view on [www.falconmetals.com.au](http://www.falconmetals.com.au). The Company confirms that it is not aware of any new information or data that materially affects the information included in the original announcement and the Company confirms that the form and context in which the Competent Person's findings are presented have not materially modified from the original market announcement.

# Unearthing Blue Moon

## World Class Gold Province

- The Bendigo Zone is home to two world class gold deposits:
  - Bendigo Goldfield (22 Moz @ ~15 g/t Au) famous for its high-grade reef style free-milling gold since its discovery in 1851; and
  - Fosterville Gold Mine with the Swan Zone (2.3 Moz @ 49.6 g/t Au<sup>1</sup>), owned by Agnico Eagle (NYSE: AEM)
- Falcon is targeting the down plunge northern extension of the Bendigo Goldfield, initially on the Garden Gully Line (~5.2Moz @ 15g/t Au<sup>2,3</sup>)
- First wedge hole at Blue Moon intersected **1.2m @ 543 g/t Au with visible gold**
- Shows the untapped potential of the Bendigo Goldfield as it continues northwards through Falcon's ground, with **multiple lines of reef to target**
- Active drill program ongoing

# Corporate Overview

## Top Shareholders

## Capital Structure and Financials

# Directors & Management

**DR MARK  
BENNETT**

**Non-Executive Chair**

30+ years' experience in gold and base metal exploration

Founding Managing Director of Sirius Resources, discovered Nova-Bollinger

Currently the Executive Chairman of S2 Resources (S2R.ASX)

**TIM  
MARKWELL**

**Managing Director**

30+ years' experience in gold and base metal exploration with expertise in geology, fund management, and mining

Held the role of Investment Manager of the African Lion funds at Lion Selection Group (LSX.ASX) for 14 years

**ALEX  
DORSCH**

**Non-Executive Director**

As Managing Director when Chalice (CHN.ASX) made the Gonneville discovery, has led the company through an exceptional and transformational growth period

Diverse experience in the resources sector in a variety of management, advisory, and consultancy roles

**KATINA  
LAW**

**Non-Executive Director**

30+ years in the mining industry, including board roles with ASX-listed explorers

Served as Chair of Finance and Audit committees and has a strong commitment to corporate governance

Currently NED at Yandal Resources (YRL.ASX)

**PRADEEP  
SUBRAMANIAM**

**Chief Financial Officer**

Chartered accountant with broad financial and commercial experience across the mining, resources, and professional services sectors

Expertise spans treasury management, corporate governance, and technical project oversight

**DOUG  
WINZAR**

**Exploration Manager**

25+ years' experience in gold, base metal and diamond exploration

Held the role of Exploration Project Manager for IGO in the Kimberley Region and NT

# Blue Moon

Gold, VIC

First wedge hole hits 1.2m at 543g/t Au

The Pyramid Hill Gold Project areas occur on Dja Dja Wurrung, Taungurung and Yorta Yorta land. Falcon acknowledges their ongoing connection to the land and pay our respect to them, their culture and their elders, past, present and emerging.

# Blue Moon

## The Right Location

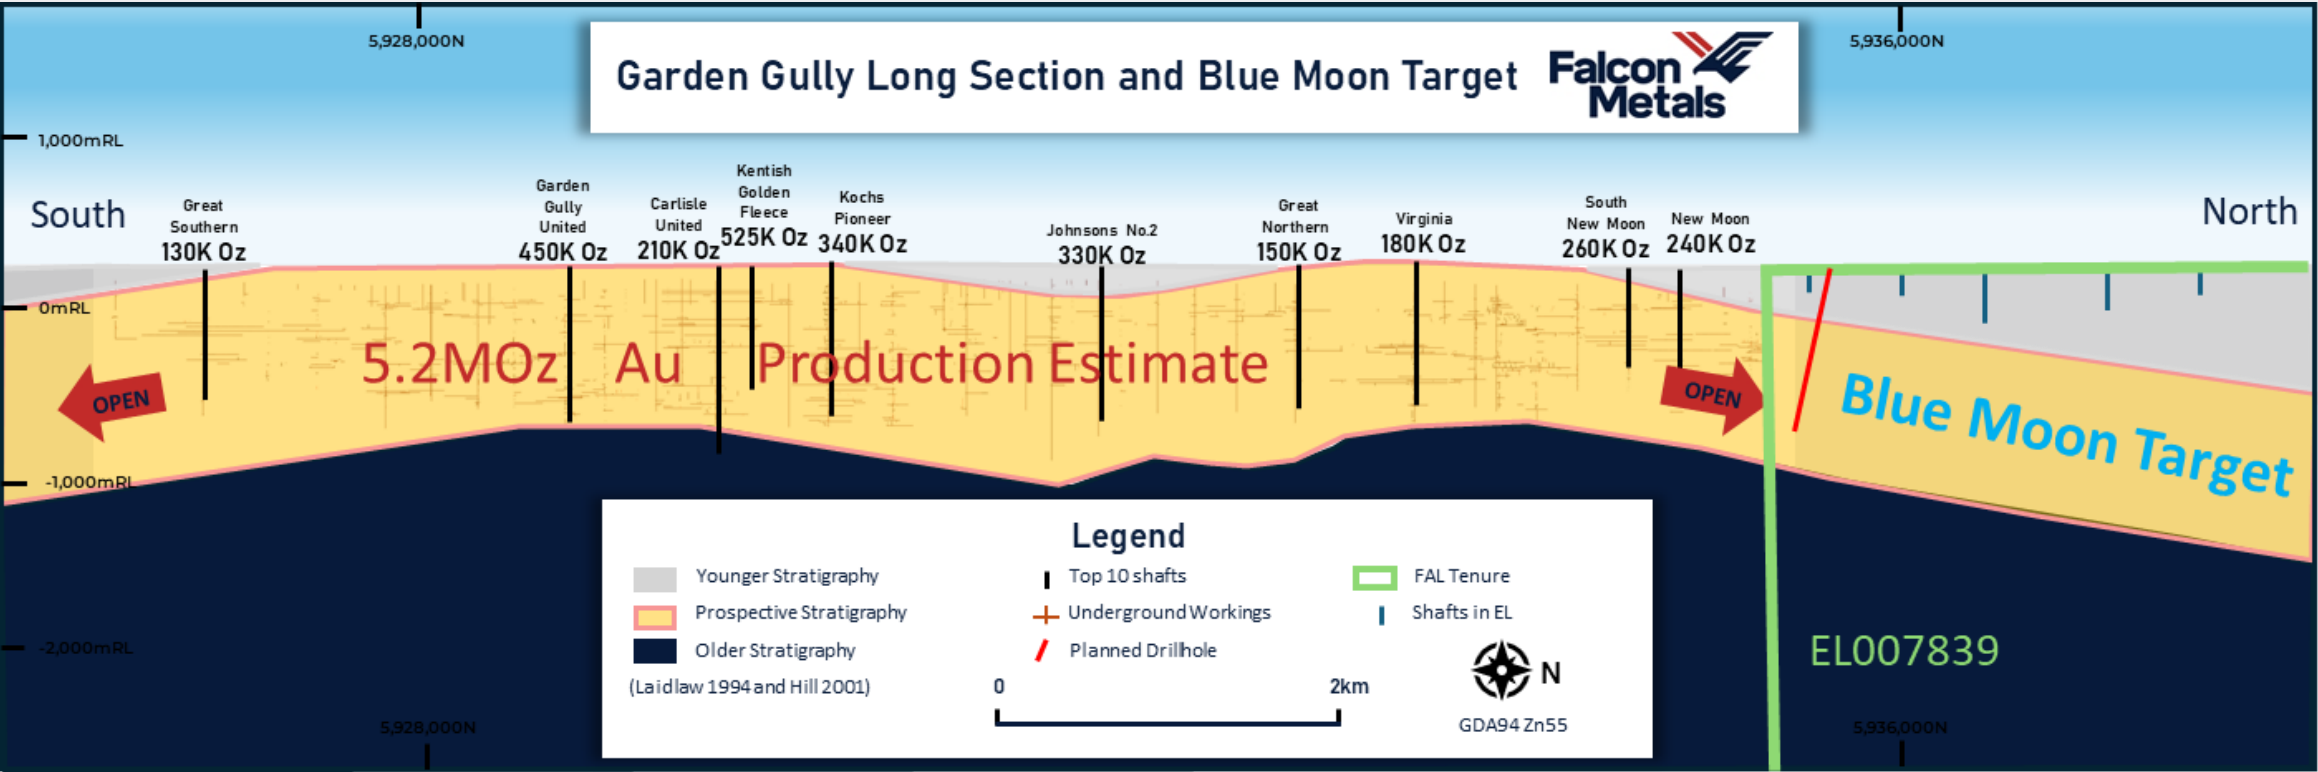

- EL007839 surrounds the world class Bendigo goldfield (22 Moz @ ~15 g/t Au)
- Review of all historical data, with 3D reconstruction of the historical Bendigo workings, confirmed no previous modern exploration on the northern extension of the goldfield onto Falcon's tenure
- Focus on Blue Moon, located directly along strike and down plunge from the Garden Gully anticline trend (line of reefs):
  - The most productive in the goldfield (~5.2Moz @ 15g/t Au<sup>1,2</sup>)
  - Historical shafts closest to Falcon tenement boundary provided detailed information to target the Garden Gully anticline with the first drill hole
- **Falcon's drilling is the first ever into this conceptual target,** designed to test the eastern limb of the anticline down plunge from historical production

<sup>1</sup> November 2022. Catalyst Metals Ltd, AGM Presentation slide.13

<sup>2</sup> November 2003 Fraser et al, The Role of Historical Research in the Development of the 'New Bendigo' Gold Project, Central Victoria

# Blue Moon – Diamond Drilling

Observations from Bendigo, Ballarat and Fosterville suggest that there is a strong plunge component to the high-grade mineralisation in Central Victoria

# Eight Priority Target Zones

## Target Generation in World Class Goldfield

- Initial stratigraphic hole drilled to 778.1m depth:
  - Intersected 8 priority target zones** including laminated quartz veins, spur veins and bedded veins
  - Two zones returned **high-grade gold** including **visible gold**
- First wedge intersected 1.2m @ 543 g/t Au from 544.2m (17.1 oz/t)
- Shows the untapped potential of the Bendigo Goldfield as it continues northwards through Falcon's ground

# Positive Results

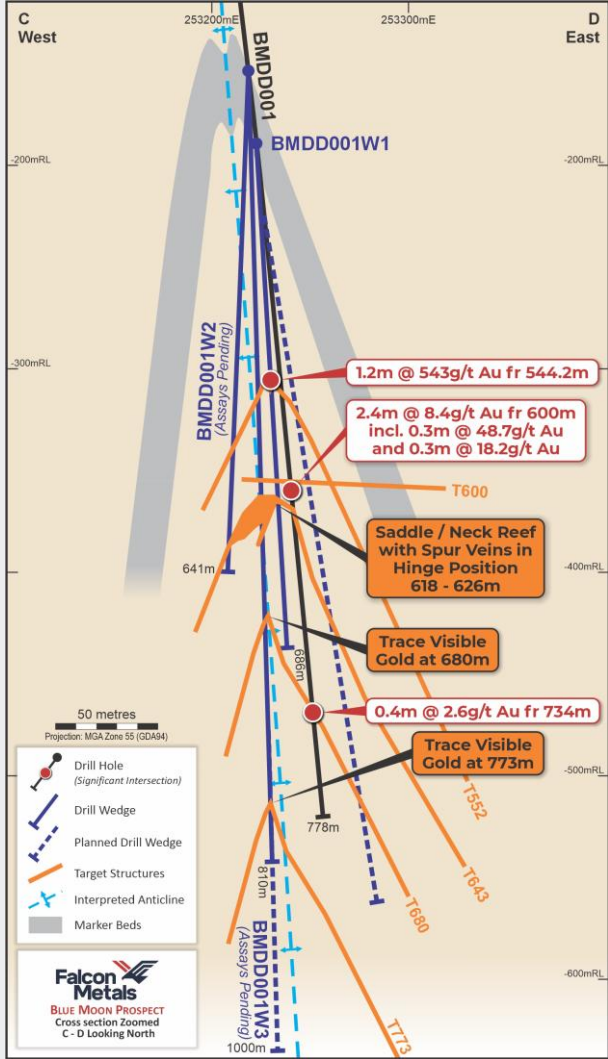

## Cross sections

Schematic cross section showing quartz-gold reef geometries at Bendigo looking north (modified Dominy et al., 2003)

Cross section at Blue Moon

Magnified view of the wedge hole BMDD001W1 with assays, target zones and planned trace of proposed wedge

# Visible Results

## Drill Results & Future Plans

- **Positive results** from parent hole BMDD001:
  - 2.8m @ 17.7m g/t Au from 40.6m; incl.
    - **0.9m @ 52.4 g/t Au** from 40.6m
  - 2.4m @ 8.4 g/t Au from 600m; incl.
    - **0.3m @ 48.7 g/t Au** from 600m; and
    - **0.3m @ 18.2 g/t Au** from 602.1m
  - 0.4m @ 2.6 g/t Au from 734m
- First Wedge hole BMDD001W1 intersected high-grade gold 5m up-dip from target zone T552:
  - **1.2m @ 543 g/t Au** from 544.2m; comprising
    - **0.6m @ 557 g/t Au** from 544.2m; and
    - **0.6m @ 529 g/t Au** from 544.8m
- **Bendigo-style stacked zones** are present at Blue Moon
- **Planning for additional wedge holes east of the parent hole is underway to test suspected lateral parasitic fold hinge targets**
- Shallow targets to be drilled from surface
- Planning underway for a second diamond drill rig to test the north along strike of the Garden Gully line

Visible gold in BMDD001W1 from 544.9m depth

Visible gold in BMDD001 from 600.2m depth

Visible gold in BMDD001W1 from 544.6m depth

See ASX Announcement dated 5 August 2025 "Visible gold in multiple stacked veins at Blue Moon"

# Mineralised Structures

## Wedge holes in progress, all assays pending

- Third wedge hole (BMDD001W3) aimed to drill as close to the hinge position for as long as possible
- BMDD001W3 is in progress and is successfully drilling down the fold hinge, **hitting several zones of visible gold, quartz veining and sulphides**
  - **Visible gold intersected in two veins**, at 679.9m to 680.5m and 727.7m to 773.2m
  - 7.6-metre zone of intense quartz vein development, close to previous high-grade results in the parent hole, may represent a **saddle reef in the core of the fold hinge**
- BMDD001W3 planned to be extended to 1,000m, approaching the tenement boundary to the south
- Second wedge hole (BMDD001W2) drilled through and past the anticlinal hinge, and down the west limb of the fold
- All assays are pending for BMDD001W2 and BMDD001W3 – expected during the September quarter

*It is important to note that visual estimates of mineral abundance should never be considered a proxy or substitute for laboratory analyses where concentrations or grades are the factor of principal economic interest. Visual estimates also potentially provide no information regarding impurities or deleterious physical properties relevant to valuations. In this instance Falcon is not providing a visual estimate, just highlighting the abundance of quartz veining and that a small amount of gold was observed during logging.*

Laminated quartz vein with trace visible gold (assays pending)

7.6m zone of intense quartz vein development – possible saddle reef in the core of the fold hinge (assays pending)

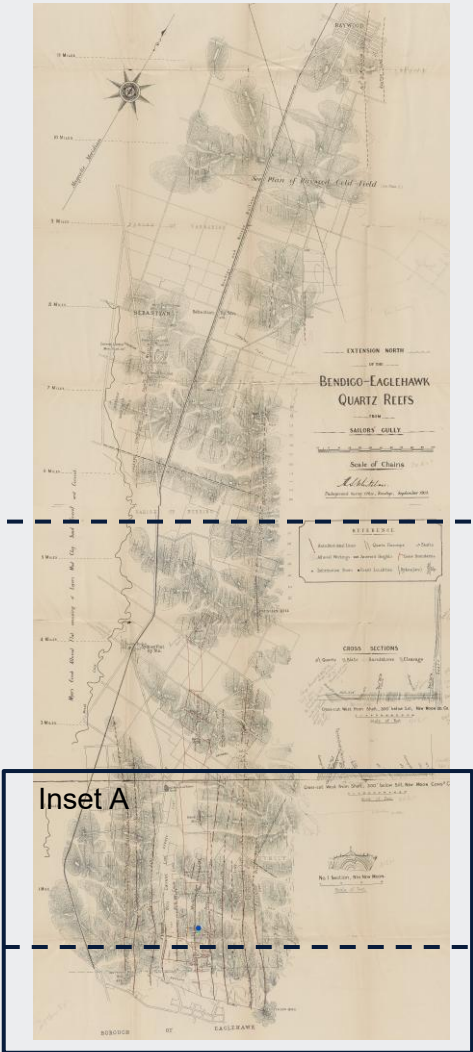

See ASX Announcement dated 5 August 2025 "Visible gold in multiple stacked veins at Blue Moon"

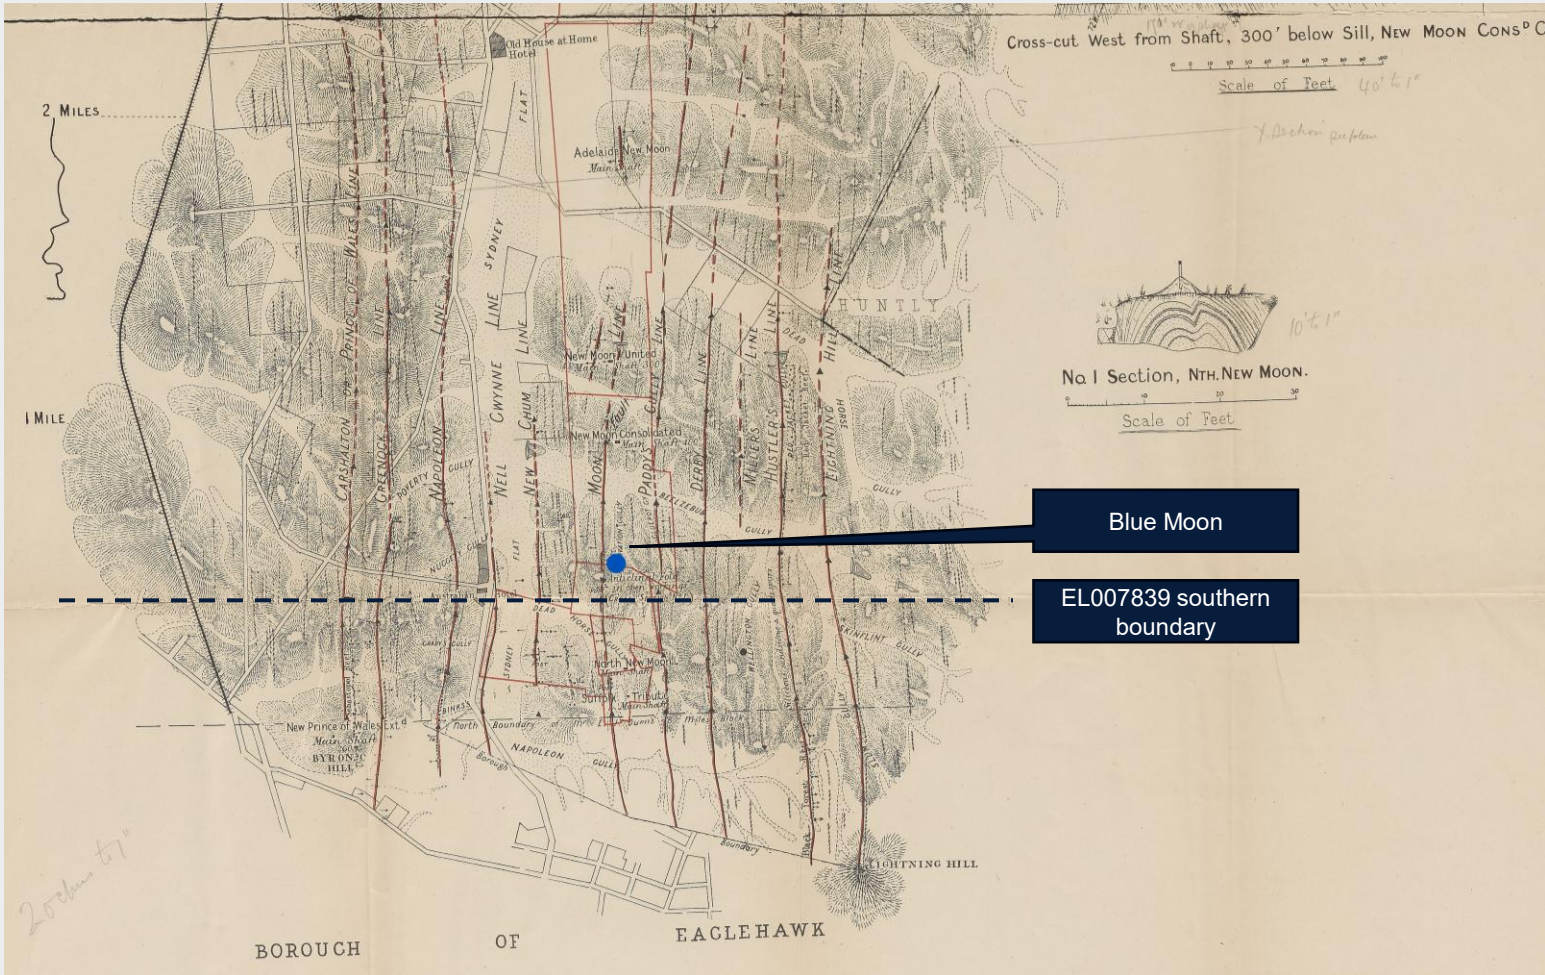

# Continuation of the Bendigo Goldfield onto Falcon tenure

Multiple lines of reef to be tested

Falcon tenure extends 6 km to the north of Blue Moon

Inset A – Lines of Reef extending on to Falcon tenure

## Investment Highlights

- 1 Highly decorated team with a history of 'company making' discoveries (Julimar, Nova-Bollinger, Thunderbox, Waterloo)
- 2 High-grade visible gold confirms continuation of Bendigo Goldfield onto Falcon tenure
- 3 First wedge hit 1.2m @ 543 g/t Au with visible gold
- 4 Blue Moon is open 6 km to the north with multiple lines extending onto Falcon tenure
- 5 Aggressive drilling program underway, strong cash position of A\$7.8M cash at 30 June 2025

# Appendices

# Falcon Project Portfolio

## Errabiddy Gold Project, WA

- Earn-in to 70% plus 100% owned tenure
- Cratonic margin gold project in similar structural setting to the 5.4Moz<sup>1</sup> Tropicana Gold Mine
- Includes Olsen Well Gold Target, a 3km-long untested soil anomaly

## Pyramid Hill Gold Project, VIC

- Largest land position in the prospective Bendigo Zone Gold Province
- **HIGH-GRADE INTERSECTIONS AT BLUE MOON**
- Regional scale gold targets emerging

## Farrelly Mineral Sands Project, VIC

- **HIGH-GRADE MINERAL SANDS DISCOVERY AT THE FARRELLY DEPOSIT**
- Positive results from first pass metallurgical test work
- Strategic land holding in the Murray Basin Mineral Sands Province

<sup>1</sup> <https://www.anglogoldashanti.com/>

# Pyramid Hill Project

Gold, VIC

**Multiple mineralised zones discovered**

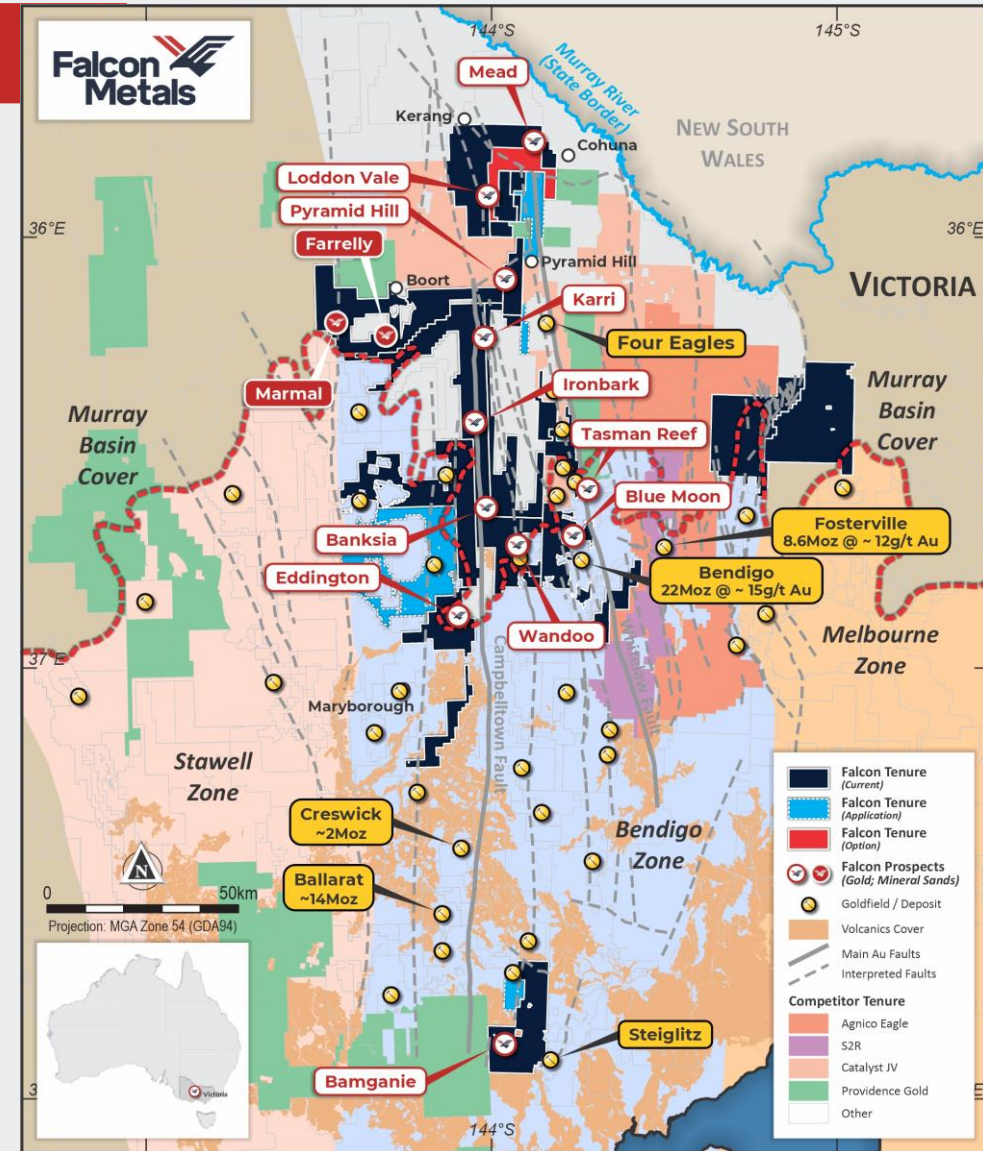

The project areas occur on Dja Dja Wurrung, Taungurung and Yorta Yorta land. Falcon acknowledge their ongoing connection to the land and pay our respect to them, their culture and their elders, past, present and emerging.

# The Opportunity

## Screening undercover program well advanced

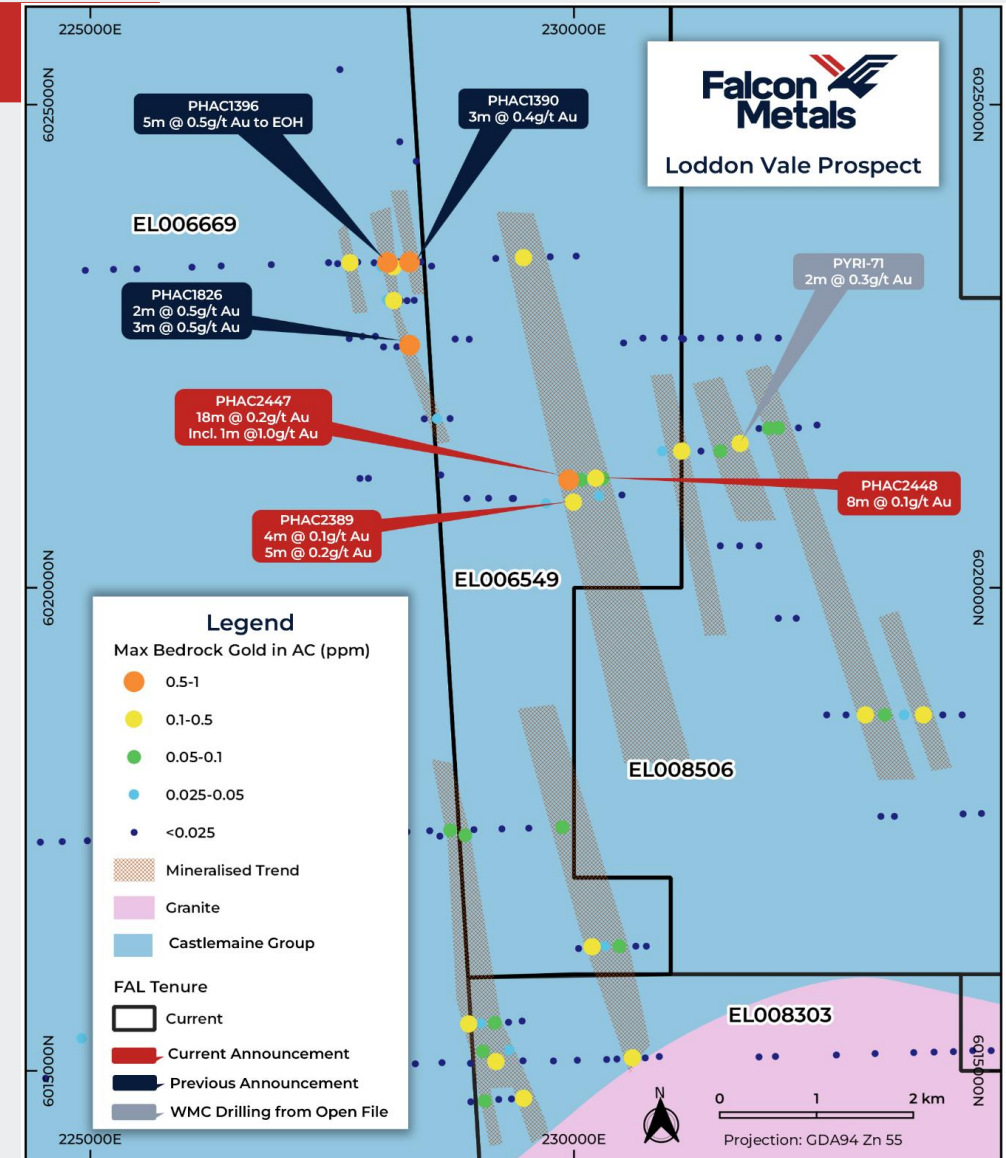

- Over 200,000m of aircore drilled at Pyramid Hill
- Over 150km of strike length of prospective structures being targeted
- Rationalisation of tenure as reconnaissance drilling progresses
- Regional screening **continues to generate multiple gold targets** for follow up drilling with highlights including:
  - Loddon Vale – **Regional scale target emerging**
  - Karri – **3km strike-length** of mineralised footprint
  - Ironbark – **52.9g/t Au** intercept in a mineralised diorite
  - Wandoo – **9.5g/t Au** intercept in quartz vein at base of hole
  - Bamganie – **2m @ 20.0g/t Au** adjacent to old workings
- New priority targets such as **Tasman Reef, Raywood and Tarnagulla** (under application) to be reviewed

# Regional Target

## Large scale regional target emerging at Loddon Vale

- Located 20km south of Kerang
- Several north-northwest parallel zones are developing at Loddon Vale, similar to:
  - Falcon's Karri Prospect;
  - The Four Eagles discovery (ASX: CYL); and
  - The Bendigo Goldfield
- Next phase of drilling will use these results to vector into the more prospective lines

# Farrelly Deposit

Mineral Sands, VIC

High-grade mineral sands discovery

The Farrelly Mineral Sands Project areas occur on Dja Dja Wurrung land. Falcon acknowledges their ongoing connection to the land and pay our respect to them, their culture and their elders, past, present and emerging.

# High-grade Mineral Sands Discovery

## Underexplored world class minerals province

- Victoria's Murray Basin hosts several major mineral sands projects with associated **Critical Minerals** including Rare Earth Elements (REE) at advanced stages of development
- Several of these are adjacent to Falcon's northwestern permits including **WIM Resource, VHM, ACDC and Iluka**
- FAL announced in May 2024 a **high-grade mineral sands discovery at the Farrelly Deposit**, 12km south of Boort:
  - Previously explored by CRA in 1980's
  - Despite intersecting some high-grade zones, limited follow-up
  - FAL completed regional mineral sands reconnaissance drilling in late 2023, testing several zones which returned multiple thick high-grade intercepts
  - Initial grain counting and mineralogical assessment shows potential for high value mineral suite similar to other Murray Basin deposits
  - **Follow-up drilling in May 2024 confirmed high-grade Farrelly discovery, open in several directions**

<sup>1</sup> See Appendix for table and references 'Victorian Murray Basin Mineral Sands Deposits'

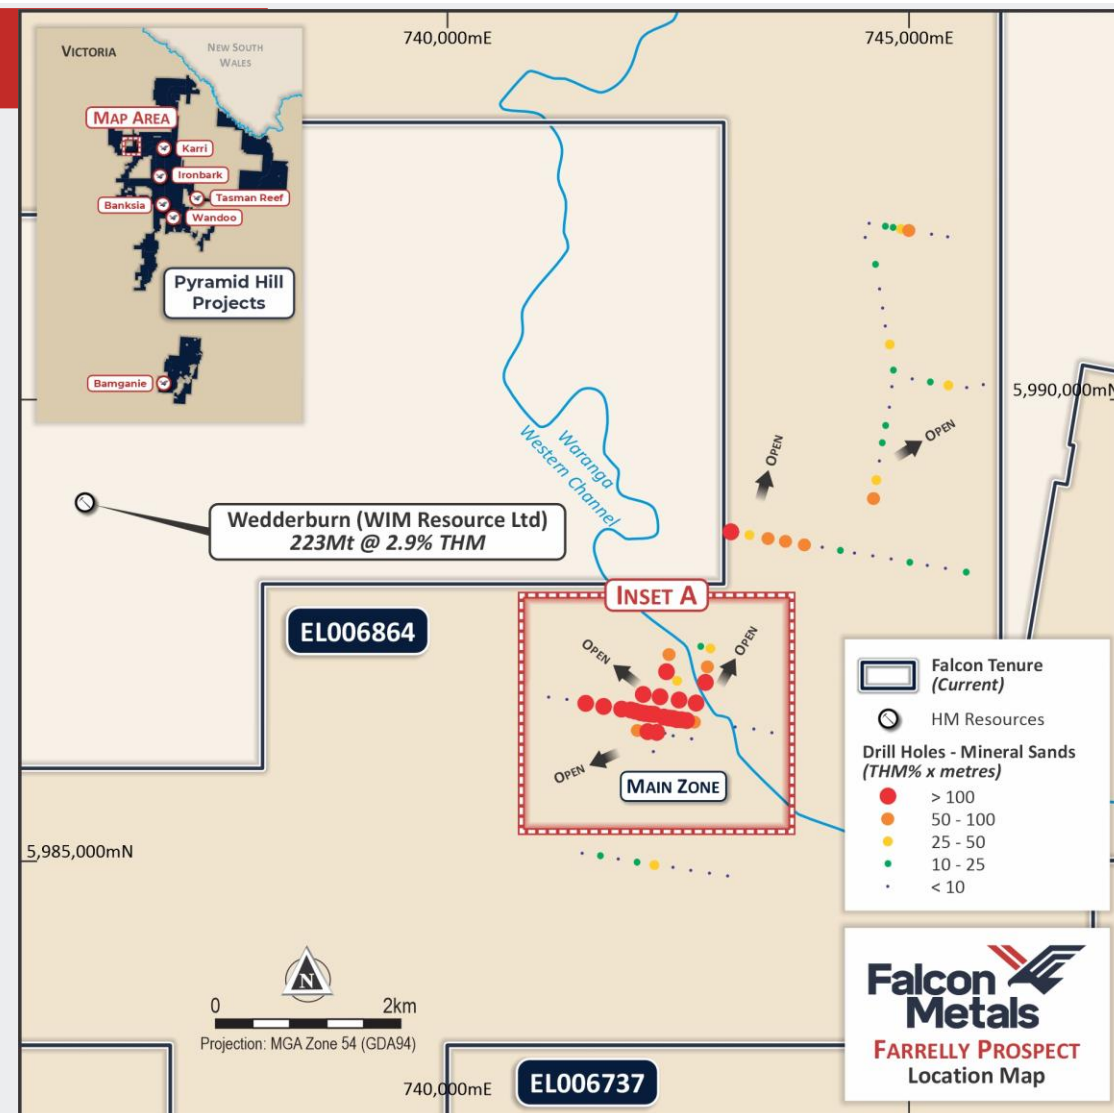

Note: The Farrelly Prospect has not yet been defined as a mineral sands deposit and does not currently have a JORC compliant resource

# Farrelly Mineral Sands Deposit

## Shallow high-grade discovery

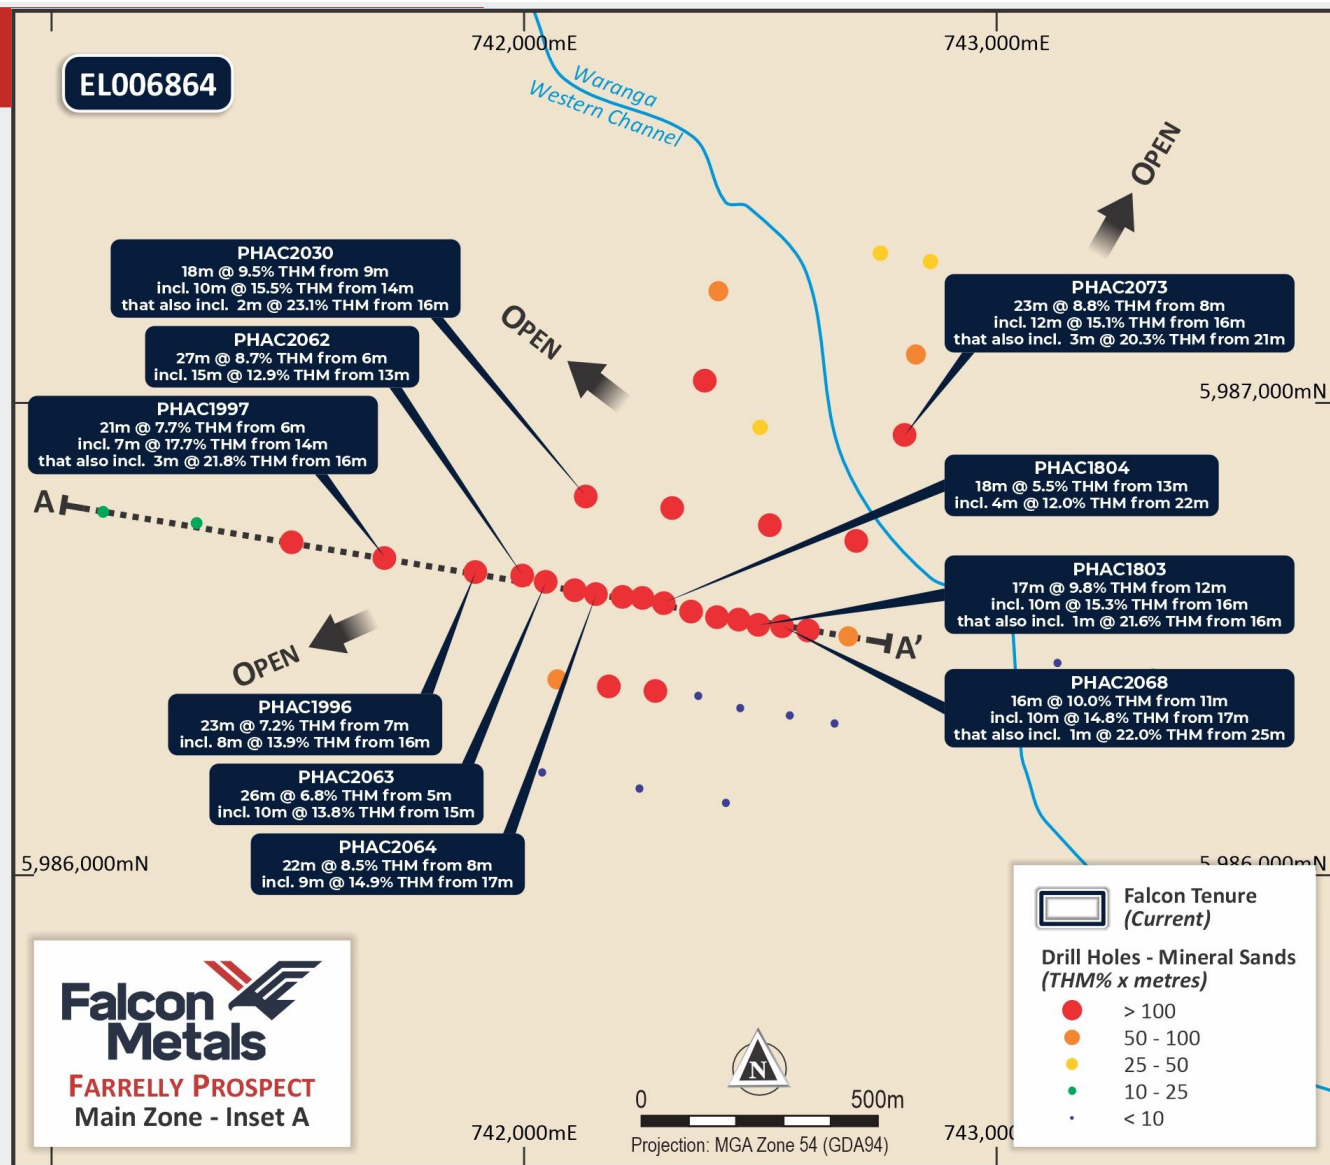

- Of 91 holes announced in May 2024:
  - **33 holes** contained intersections **>10% THM**
  - **11 holes** contained intersections **>20% THM**
- **Thick continuous zone of high-grade mineralisation defined over 1,200 x 600m**
- Open in several directions with **some of the best holes on the edge of the currently defined high-grade zone**
- Drill holes grades appear **significantly higher than other deposits** in the region at this scale
- Positive sighter test with coarser grain size relative to other Victorian deposits and the potential for simplified processing and higher recoveries
- Planning for extensional drilling subject to cropping, land access and weather
  - Continuing to assess options to secure access to conduct low impact exploration drilling

# Consistent Results

## Shallow high-grade discovery

- PHAC2062 26m @ 8.9% THM from 6m; including 15m @ 12.9% THM from 13m
- PHAC2073 22m @ 9.2% THM from 8m; including 12m @ 15.1% THM from 16m; that also includes 3m @ 20.3% THM from 21m
- PHAC2064 20m @ 9.0% THM from 10m; including 9m @ 14.9% THM from 17m
- PHAC2063 22m @ 7.8% THM from 8m; including 10m @ 13.8% THM from 15m
- PHAC2030 18m @ 9.5% THM from 9m; including 10m @ 15.5% THM from 14m; that also includes 2m @ 23.1% THM from 16m
- PHAC2046 16m @ 10.6% THM from 11m; including 8m @ 18.3% THM from 13m; that also includes 4m @ 20.2% THM from 14m
- PHAC1996 19m @ 8.5% THM from 11m; including 8m @ 13.9% THM from 16m
- PHAC1997 17m @ 9.3% THM from 10m; including 7m @ 17.7% THM from 14m; that also includes 3m @ 21.8% THM from 16m
- PHAC2068 11m @ 14.1% THM from 16m; including 10m @ 14.8% THM from 17m; that also includes 1m @ 22.0% THM from 25m

# Farrelly Deposit Cross Section

# Errabiddy Gold Project

Gold and Base Metals, WA

Gold and base metals targets

This Errabiddy Gold Project area occurs on Wajarri Yamatji land.

Falcon acknowledges their ongoing connection to the land and pay our respect to them, their culture and their elders, past, present and emerging.

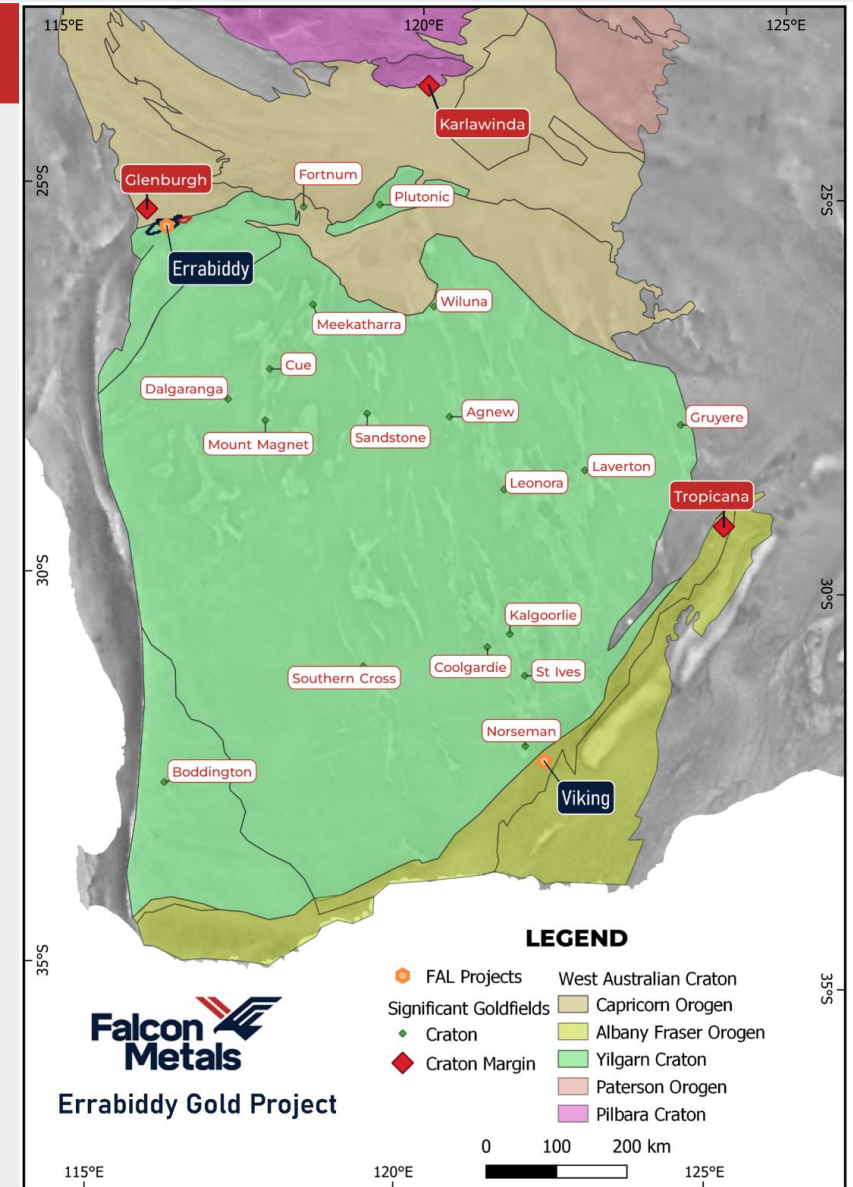

# Errabiddy Project JV

## Falcon Earning up to 70% of Craton Margin Gold Project

- Located 220km northwest of Meekatharra
- Situated in the Errabiddy shear zone on the north-western margin of the Yilgarn Craton
- Similar structural setting to the 5.4Moz<sup>1</sup> Tropicana Gold Mine
- Advanced Olsen Well gold target – 3km long soil anomaly with peak value of 234ppb
- Key terms of JV on E09/2457 with West Coast Silver (WCE.ASX):
  - Earn 51% by spending \$0.75M within 24 months
  - Earn an additional 19% (70% total) by spending \$1.25M within 36 months
  - Minimum expenditure commitment \$0.2M prior to withdrawal
  - Once earn-in complete, both parties fund pro-rata or dilute
  - WCE can elect to convert its interest to a 2% NSR or otherwise automatic if it dilutes to <10%
  - Falcon can buy back 1% NSR by paying \$2M
- Falcon's recent 100% application adjacent to E09/2457 expands the project area further east along the Errabiddy shear zone

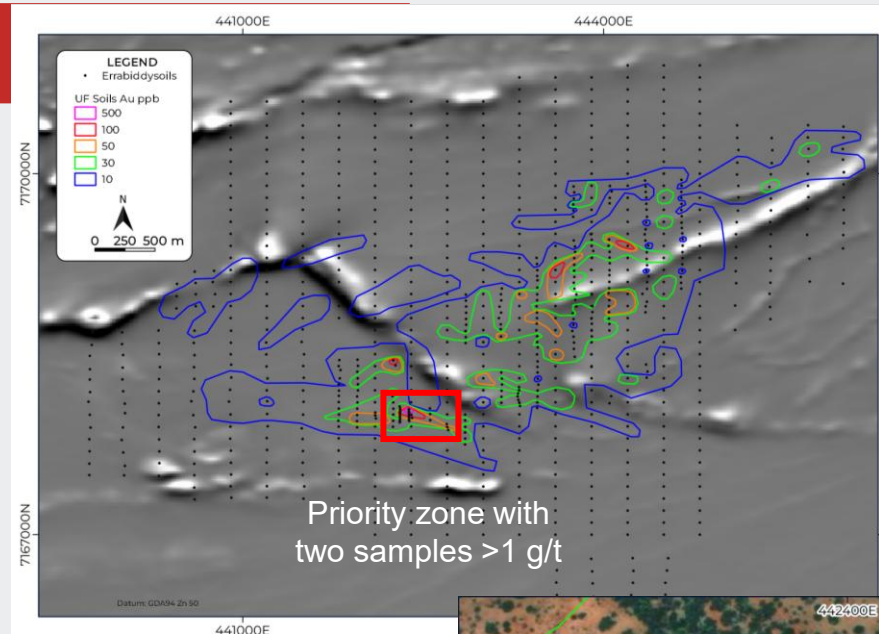

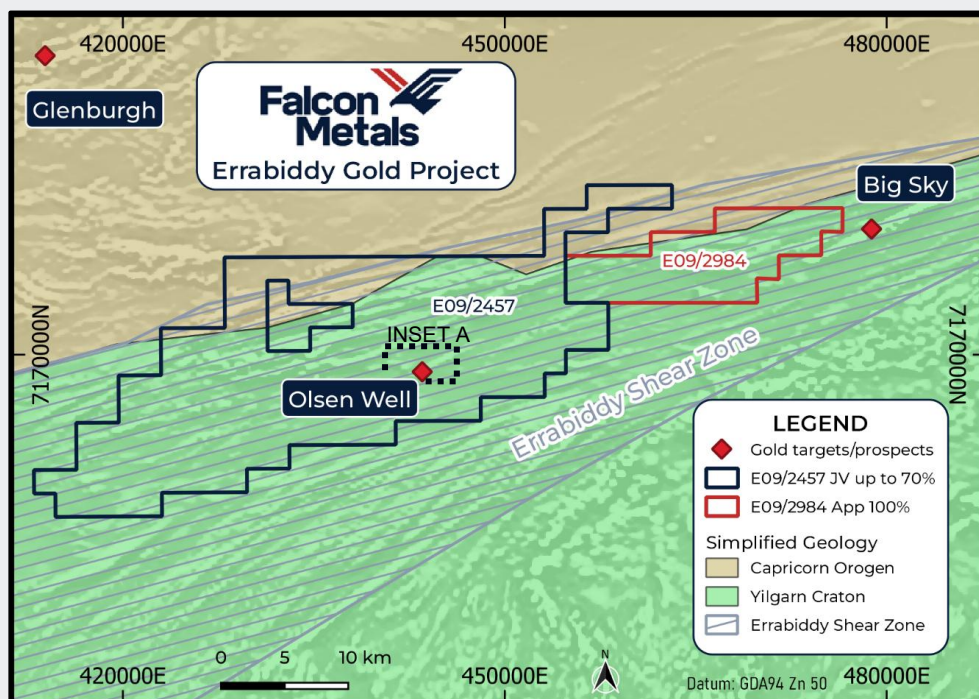

<sup>1</sup> <https://www.anglogoldashanti.com/>

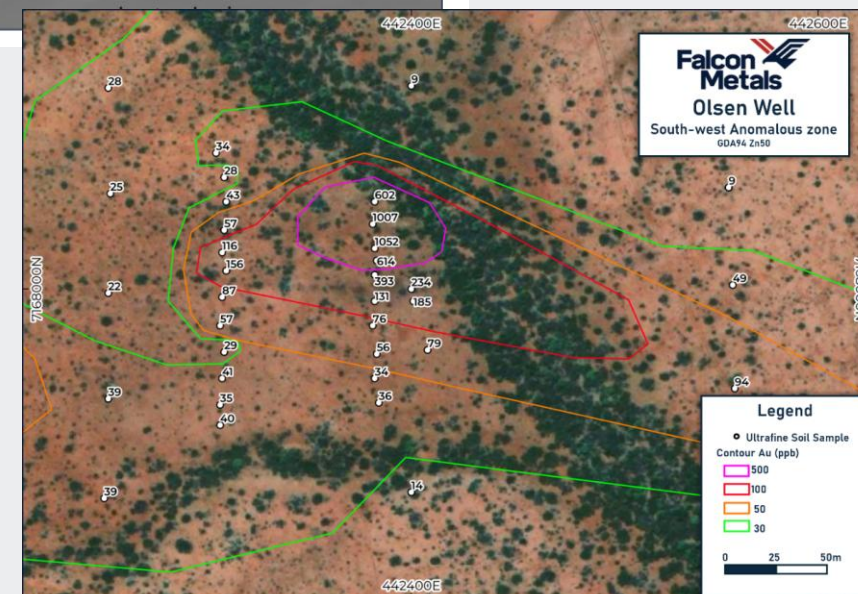

# Olsen Well Gold Target

## 3km long soil anomaly, open along strike

- Initial phase of confirmatory soil sampling planned for Olsen Well extended the 10ppb Au soil anomaly from 3km to 5.8km in strike
- Errabiddy is considered highly prospective and remains underexplored with no exploration drilling for gold conducted within the project tenure

- Four consecutive samples on the same line >0.5 g/t gold that included two consecutive samples >1 g/t gold, defining a high-priority zone for targeting

## International Offer Restrictions

# International Offer Restrictions

This presentation does not constitute an offer of new ordinary shares ("New Shares") of the Company in any jurisdiction in which it would be unlawful. In particular, this presentation may not be distributed to any person, and the New Shares may not be offered or sold, in any country outside Australia except to the extent permitted below.

## Canada (British Columbia, Ontario and Quebec provinces)

This presentation constitutes an offering of New Shares only in the Provinces of British Columbia, Ontario and Quebec (the "Provinces"), only to persons to whom New Shares may be lawfully distributed in the Provinces, and only by persons permitted to sell such securities. This document is not a prospectus, an advertisement or a public offering of securities in the Provinces. This document may only be distributed in the Provinces to persons who are (i) "accredited investors" (as defined in National Instrument 45-106 – *Prospectus Exemptions*) and (ii) "permitted clients" (as defined in National Instrument 31-103 – *Registration Requirements, Exemptions and Ongoing Registrant Obligations*) if a lead manager offering the New Shares in Canada is relying upon the international dealer exemption under NI 31-103.

No securities commission or authority in the Provinces has reviewed or in any way passed upon this document, the merits of the New Shares or the offering of the New Shares and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of New Shares or the resale of such securities. Any person in the Provinces lawfully participating in the offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and receipted by the securities regulator in the applicable Province. Furthermore, any resale of the New Shares in the Provinces must be made in accordance with applicable Canadian securities laws. While such resale restrictions generally do not apply to a first trade in a security of a foreign, non-Canadian reporting issuer that is made through an exchange or market outside Canada, Canadian purchasers should seek legal advice prior to any resale of the New Shares.

The Company as well as its directors and officers may be located outside Canada and, as a result, it may not be possible for purchasers to effect service of process within Canada upon the Company or its directors or officers. All or a substantial portion of the assets of the Company and such persons may be located outside Canada and, as a result, it may not be possible to satisfy a judgment against the Company or such persons in Canada or to enforce a judgment obtained in Canadian courts against the Company or such persons outside Canada.

**Statutory rights of action for damages and rescission.** Securities legislation in certain Provinces may provide a purchaser with remedies for rescission or damages if an offering memorandum contains a misrepresentation, provided the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's Province. A purchaser may refer to any applicable provision of the securities legislation of the purchaser's Province for particulars of these rights or consult with a legal adviser.

**Certain Canadian income tax considerations.** Prospective purchasers of the New Shares should consult their own tax adviser with respect to any taxes payable in connection with the acquisition, holding or disposition of the New Shares as there are Canadian tax implications for investors in the Provinces.

**Language of documents in Canada.** Upon receipt of this document, each investor in Canada hereby confirms that it has expressly requested that all documents evidencing or relating in any way to the sale of the New Shares (including for greater certainty any purchase confirmation or any notice) be drawn up in the English language only. *Par la réception de ce document, chaque investisseur canadien confirme par les présentes qu'il a expressément exigé que tous les documents faisant foi ou se rapportant de quelque manière que ce soit à la vente des valeurs mobilières décrites aux présentes (incluant, pour plus de certitude, toute confirmation d'achat ou tout avis) soient rédigés en anglais seulement.*

## European Union (excluding Austria)

This presentation has not been, and will not be, registered with or approved by any securities regulator in the European Union. Accordingly, this document may not be made available, nor may the New Shares be offered for sale, in the European Union except in circumstances that do not require a prospectus under Article 1(4) of Regulation (EU) 2017/1129 of the European Parliament and the Council of the European Union (the "Prospectus Regulation").

In accordance with Article 1(4)(a) of the Prospectus Regulation, an offer of New Shares in the European Union is limited to persons who are "qualified investors" (as defined in Article 2(e) of the Prospectus Regulation).

## Hong Kong

**WARNING:** This presentation has not been, and will not be, registered as a prospectus under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of Hong Kong, nor has it been authorised by the Securities and Futures Commission in Hong Kong pursuant to the Securities and Futures Ordinance (Cap. 571) of the Laws of Hong Kong (the "SFO"). Accordingly, this presentation may not be distributed, and the New Shares may not be offered or sold, in Hong Kong other than to "professional investors" (as defined in the SFO and any rules made under that ordinance).

No advertisement, invitation or document relating to the New Shares has been or will be issued, or has been or will be in the possession of any person for the purpose of issue, in Hong Kong or elsewhere that is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to New Shares that are or are intended to be disposed of only to persons outside Hong Kong or only to professional investors. No person allotted New Shares may sell, or offer to sell, such securities in circumstances that amount to an offer to the public in Hong Kong within six months following the date of issue of such securities.

The contents of this presentation have not been reviewed by any Hong Kong regulatory authority. You are advised to exercise caution in relation to the offer. If you are in doubt about any contents of this document, you should obtain independent professional advice.

# International Offer Restrictions

## New Zealand

This presentation has not been registered, filed with or approved by any New Zealand regulatory authority under the Financial Markets Conduct Act 2013 (the “FMC Act”).

The New Shares are not being offered or sold in New Zealand (or allotted with a view to being offered for sale in New Zealand) other than to a person who:

- is an investment business within the meaning of clause 37 of Schedule 1 of the FMC Act;
- meets the investment activity criteria specified in clause 38 of Schedule 1 of the FMC Act;
- is large within the meaning of clause 39 of Schedule 1 of the FMC Act;
- is a government agency within the meaning of clause 40 of Schedule 1 of the FMC Act; or
- is an eligible investor within the meaning of clause 41 of Schedule 1 of the FMC Act.

## Singapore

This presentation and any other materials relating to the New Shares have not been, and will not be, lodged or registered as a prospectus in Singapore with the Monetary Authority of Singapore. Accordingly, this document and any other document or materials in connection with the offer or sale, or invitation for subscription or purchase, of New Shares, may not be issued, circulated or distributed, nor may the New Shares be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore except pursuant to and in accordance with exemptions in Subdivision (4) Division 1, Part 13 of the Securities and Futures Act 2001 of Singapore (the “SFA”) or another exemption under the SFA.

This presentation has been given to you on the basis that you are an “institutional investor” or an “accredited investor” (as such terms are defined in the SFA). If you are not such an investor, please return this document immediately. You may not forward or circulate this document to any other person in Singapore.

Any offer is not made to you with a view to the New Shares being subsequently offered for sale to any other party in Singapore. On-sale restrictions in Singapore may be applicable to investors who acquire New Shares. As such, investors are advised to acquaint themselves with the SFA provisions relating to resale restrictions in Singapore and comply accordingly.

## United Kingdom

Neither this presentation nor any other document relating to the offer has been delivered for approval to the Financial Conduct Authority in the United Kingdom and no prospectus (within the meaning of section 85 of the Financial Services and Markets Act 2000, as amended (“FSMA”)) has been published or is intended to be published in respect of the New Shares.

The New Shares may not be offered or sold in the United Kingdom by means of this document or any other document, except in circumstances that do not require the publication of a prospectus under section 86(1) of the FSMA. This document is issued on a confidential basis in the United Kingdom to “qualified investors” within the meaning of Article 2(e) of the UK Prospectus Regulation. This document may not be distributed or reproduced, in whole or in part, nor may its contents be disclosed by recipients, to any other person in the United Kingdom.

Any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received in connection with the issue or sale of the New Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) of the FSMA does not apply to the Company.

In the United Kingdom, this document is being distributed only to, and is directed at, persons (i) who have professional experience in matters relating to investments falling within Article 19(5) (investment professionals) of the Financial Services and Markets Act 2000 (Financial Promotions) Order 2005 (“FPO”), (ii) who fall within the categories of persons referred to in Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc.) of the FPO or (iii) to whom it may otherwise be lawfully communicated (“relevant persons”). The investment to which this document relates is available only to relevant persons. Any person who is not a relevant person should not act or rely on this document.

## United States

This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States. The New Shares have not been, and will not be, registered under the US Securities Act of 1933 or the securities laws of any state or other jurisdiction of the United States. Accordingly, the New Shares may not be offered or sold in the United States except in transactions exempt from, or not subject to, the registration requirements of the US Securities Act and applicable US state securities laws.

The New Shares may be offered and sold in the United States only to:

- “qualified institutional buyers” (as defined in Rule 144A under the US Securities Act); and
- dealers or other professional fiduciaries organized or incorporated in the United States that are acting for a discretionary or similar account (other than an estate or trust) held for the benefit or account of persons that are not US persons and for which they exercise investment discretion, within the meaning of Rule 902(k)(2)(i) of Regulation S under the US Securities Act.
