Notice of General Meeting

1. Introduction

This Explanatory Memorandum is provided to shareholders Falcon Metals Limited ACN 651 893 097 (**the Company**) to explain the resolutions to be put to Shareholders at the Annual General Meeting to be held at HLB Mann Judd, Level 9/550 Bourke St, Melbourne VIC 3000 on 29 October 2025 at 11.00 AM (AEDT).

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend that Shareholders vote in favour of all Resolutions. Other than in respect to Resolutions 3 – 6 (inclusive) in accordance with the restrictions regarding undirected proxies under section 224 of the Corporations Act, the Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Terms used in this Explanatory Memorandum are defined in Section 9.

2. Financial Statements and Reports

In accordance with the Corporations Act, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report, and the auditor's report.

There is no requirement for shareholders to approve these reports. However, time will be allowed during the annual general meeting for consideration by shareholders of the financial statements and the associated directors' and auditors' reports.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.falconmetals.com.au.

The Company's Annual Report is placed before the Shareholders for discussion.

No voting is required for this item.

3. Resolution 1: Adoption of Remuneration Report

3.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the directors of the Company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial period.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

3.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual

Notice of General Meeting

general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the Company who were in office when the directors' report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the Company is approved will be the directors of the company.

3.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

4. Resolution 2: Re-election of Director – Mark Bennett

4.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

Clause 7.2 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mark Bennett, who has served as a director since 9 December 2021 and re-elected on 29 November 2022, retires by rotation and being eligible for re-election, seeks approval to be re-elected as Director pursuant to Resolution 2.

If Resolution 2 is not carried out, Mr Bennett will no longer be a Director of the Company.

4.2 Qualifications and other material directorships

Qualifications	BSc (Mining Geology), PhD MAIG AusIMM GSL
Experience	Dr Mark Bennett is a highly experienced geologist and mining executive with over 30 years' experience in gold and base metal exploration. He was the founding Managing Director and CEO of Sirius Resources Ltd, where he was awarded the Association of Mining and Exploration Companies (AMEC) "Prospector of the Year Award" for the world-class Nova-Bollinger nickel-copper discovery in 2013. He went on to lead the company until its ~\$1.8 billion merger with IGO Ltd (ASX: IGO). Other Directorships	S2 Resources Ltd

Notice of General Meeting

Mr Bennett is considered to be an independent director.

Mr Bennett has acknowledged to the Company that he will have sufficient time to fulfill his responsibilities as a director.

4.3 Board recommendation

The Board supports the re-election of Mr Bennett as a Director of the Company and recommends (with Mr Bennett abstaining) that Shareholders vote in favour of Resolution 2 as Mr Bennett is a highly experienced geologist and brings extensive corporate and mining industry knowledge and experience which is important to complement the Board's existing experience and will continue to be key requirements for the Board.

5. Resolution 3 - 6: Approval of Unlisted Options to Mark Bennett, Tim Markwell, Alex Dorsch and Katina Law

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue up to a total of 3,760,000 Options (**Related Party Options**) to Mark Bennett, Tim Markwell, Alex Dorsch and Katina Law (or their respective nominees) (**Related Parties**) under the Company's employee securities incentive plan (**Plan**) and otherwise on the terms and conditions set out below.

To ensure the Company retains its key people, the Company has determined that the best way to reward and incentivise its board, executives and employees is via the issue of options over ordinary shares which have an exercise price that requires the share price to increase by approximately 50% (from grant date) before the options crystallise any value to the recipient while conserving cash and ensuring Falcon offers competitive market based remuneration. This results in the alignment of shareholder and board and employee interests in maximising Falcon's share price.

Resolutions 3 to 6 (inclusive) seek Shareholder approval to issue the Related Party Options to the Related Parties.

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Related Party Options constitutes giving a financial benefit and Mark Bennett, Tim Markwell, Alex Dorsch and Katina Law are related parties of the Company by virtue of being Directors.

As the Related Party Options are proposed to be issued to all the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations act applies to the issue of the Related Party Options.

Accordingly, Shareholder approval for the issue of Related Party Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

Notice of General Meeting

5.3 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director of the company (Listing Rule 10.14.1);

unless it obtains the approval of its shareholders.

The proposed issue of the Related Party Options falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 or 10.11 is not required. Accordingly, the issue of the Related Party Options will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1 or the maximum permitted number of Equity Securities issued under Listing Rule 7.2, exception 13(b).

Resolutions 3 to 6 (inclusive) seek the required Shareholder approval for the issue of the Related Party Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14.

Each of Resolutions 3 to 6 (inclusive) are separate ordinary resolutions and are not inter-conditional.

5.4 Technical information required by Listing Rule 14.1A

If Resolutions 3 to 6 (inclusive) are passed, the Company will be able to proceed with the issue of the Related Party Options to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Related Party Options (because approval is being obtained under Listing Rule 10.14), the issue of the Related Party Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 3 to 6 (inclusive) are not passed, the Company will not be able to proceed with the issue of the Related Party Options and the Company will have to develop an alternate plan to remunerate their directors in lieu of the grant of options.

5.5 Technical information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to Resolutions 3 to 6 (inclusive):

- (a) the Related Party Options will be issued to the following persons:
 - (1) Mark Bennett (or his nominee) pursuant to Resolution 3;
 - (2) Tim Markwell (or his nominee) pursuant to Resolution 4;
 - (3) Alex Dorsch (or his nominee) pursuant to Resolution 5; and
 - (4) Katina Law (or her nominees) pursuant to Resolution 6,each of whom fall within the category set out in Listing Rule 10.14.1 by virtue of being a director;
- (b) the maximum number of Related Party Options to be issued is 3,760,000 comprising:
 - (1) 960,000 Related Party Options to Mark Bennett (or his nominee) (Resolution 3);

Notice of General Meeting

- (2) 1,200,000 Related Party Options to Tim Markwell (or his nominee) (Resolution 4);
 - (3) 800,000 Related Party Options to Alex Dorsch (or his nominee) (Resolution 5); and
 - (4) 800,000 Related Party Options to Katina Law (or her nominee) (Resolution 6);
- (c) the Related Party Options will be issued under the Plan and otherwise on the terms and conditions set out in Schedule 1. A summary of the material terms of the Plan is set out in Schedule 3;
- (d) the Related Party Options will be issued no later than 3 years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (e) the issue price of the Related Party Options will be nil. The Company will not receive any other consideration in respect of the issue of the Related Party Options (other than in respect of funds received on exercise of the Related Party Options);
- (f) the purpose of the issue of the Related Party Options is to provide an incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way for the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;
- (g) the Company has agreed to issue Related Party Options to the Related Parties for the following reasons:
 - (1) the Related Party Options are unquoted; therefore, the issue of the Related Party Options has no immediate dilutionary impact on Shareholders;
 - (2) the deferred taxation benefit which is available to the Related Parties in respect of an issue of Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Related Party Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (3) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Options on the terms proposed;
- (h) the number of Related Party Options to be issued to each of the Related Parties has been determined based upon a consideration of:
 - (1) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (2) the remuneration of the Related Parties; and
 - (3) incentives to attract and retain the service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.

5.6 Information requirements for Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Related Party Options:

Notice of General Meeting

⁵Unquoted Options, comprising of:

- a. 250,000 Options (exercisable at \$0.24 each on or before 30 September 2026);
- b. 250,000 Options (exercisable at \$0.24 each on or before 30 September 2027);

- d. 270,000 Options (exercisable at \$0.38 each on or before 30 June 2028).

Assuming that each of Resolution 3 to 6 (inclusive) are approved by Shareholders, all of the Related Party Options are issued and exercised into Shares, and no other equity securities are issued or exercised (including any existing convertible securities held by the Directors as at the date of this Notice), each of the Directors total Shares held would represent as at the date of this Notice (on a fully diluted basis):

Related Party	Shares	Voting power
Mark Bennett	2,230,000	1.03%
Tim Markwell	1,522,272	0.70%
Alex Dorsch	3,890,595	1.80%
Katina Law	999,279	0.46%

(f) Dilution

The issue of the Related Party Options will have a diluting effect on the percentage interest of existing Shareholders' holdings if those Related Party Options are exercised.

If the Related Party Options issued to the Related Parties are exercised, a total of 3,760,000 Shares would be issued. This will increase the number of Shares on issue from 212,645,027 (being the total number of Shares on issue as at the date of this Notice) to 216,405,027 (assuming that no Shares are issued and no convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 1.77%, comprising 0.45% by Mr Bennett, 0.56% by Mr Markwell, 0.38% by Mr Dorsch, and 0.38% by Ms Law.

The market price for Shares during the term of the Related Party Options would normally determine whether the Related Party Options are exercised. If, at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

The dilutionary effects described above are based on the Share capital structure as at the date of this Notice, being the latest practicable date prior to the finalisation of this Notice, and does not reflect any subsequent issues of Shares. The actual dilution will depend on the extent that additional Shares are issued by the Company and any convertible securities on issue are exercised.

(g) Trading history

The trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$1.180	29 August 2025
Lowest	\$0.091	7 April 2025
Last	\$0.875	5 September 2025

Notice of General Meeting

(h) **Corporate governance**

Tim Markwell is the Managing Director of the Company and therefore the Board (excluding Mr Markwell) believes that the grant of the Related Party Options is in line with the guidelines in Box 8.2 of the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

Tim Markwell notes that the grant of those Related Party Options to Mark Bennett, Alex Dorsch and Katina Lawis is in line with Box 8.2 of the Recommendations and does not affect the independence of Mark Bennett, Alex Dorsch and Katina Lawis as there are no performance-based milestones attaching to those Related Party Options. Moreover, Tim Markwell considers the grant of Related Party Options to Mark Bennett, Alex Dorsch and Katina Lawis is reasonable in the circumstances for the reasons set out in Sections 5.5(g) and 5.5(h).

(i) **Taxation consequences**

There are no material taxation consequences for the Company arising from the issue of the Related Party Options (including fringe benefits tax).

(j) **Board recommendation**

Given the personal interests of all the Directors in the outcome of Resolutions 3 to 6 (inclusive), the Board declines to make a recommendation to Shareholders in relation to Resolutions 3 to 6 (inclusive).

(k) **Other information**

The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolutions 3 to 6 (inclusive).

6. Resolution 7 - 8: Ratification of Issue of Placement Shares

6.1 General

On 15 August 2025, the Company announced that it had received firm commitments for a placement to raise A\$20 million (before costs) through the issue of Shares at an issue price of A\$0.57 each (**Placement**).

On 22 August 2025, the Company issued a total of 35,087,720 Shares pursuant to the Placement (**Placement Shares**) without prior Shareholder approval using the Company's available placement capacity under Listing Rules 7.1 (26,133,596 Placement Shares) and 7.1A (8,954,124 Placement Shares).

Canaccord Genuity (Australia) Limited, Bell Potter Securities Limited and Morgans Corporate Limited acted as joint lead managers to the Placement (**Joint Lead Managers**).

Resolution 7 and 8 seek the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Placement Shares.

6.2 Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to

Notice of General Meeting

25%. The Company obtained this approval at its 2024 annual general meeting held on 28 November 2024.

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and 7.1A and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1 and 10% placement capacity under Listing Rule 7.1A. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rules 7.1 and 7.1A. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rules 7.1 and 7.1A (and provided that the previous issue did not breach Listing Rules 7.1 and 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1 and 7.1A.

The effect of Shareholders passing Resolution 7 and 8 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1 and the 10% additional placement capacity set out in Listing Rule 7.1A, without the requirement to obtain prior Shareholder approval.

If Resolution 7 is passed, 26,133,596 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 7 is not passed, 26,133,596 Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 26,133,596 Equity Securities for the 12-month period following the issue of those Placement Shares.

If Resolution 8 is passed, 8,954,124 Placement Shares will be excluded in calculating the Company's additional 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 8 is not passed, 8,954,124 Placement Shares will continue to be included in the Company's additional 10% limit under Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 8,954,124 Equity Securities for the 12-month period following the issue of those Placement Shares (and assuming the Company's approval under Listing Rule 7.1A remains in force for this period).

The Company confirms that Listing Rules 7.1 and 7.1A were not breached at the time the Placement Shares were agreed to be issued.

6.3 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Placement Shares:

- (a) The Placement Shares were issued to a range of sophisticated and professional investors, none of whom are a related party and, other than to the extent detailed below, a Material Investor of the Company. The participants in the Placement were identified through a bookbuild process, which involved the Company and the Joint Lead Managers seeking expressions of interest to participate in the Placement from new and existing contacts of the Company and the Joint Lead Managers.

The Company advises that Franklin Resources Inc., a substantial shareholder, was issued 5,789,474 Placement Shares, which, comprised more than 1% of the Company's issued capital at the time of the agreement to issue the Placement Shares. Accordingly, Franklin Resources

Notice of General Meeting

Inc. is considered to be a Material Investor in accordance with paragraph 7.4 of ASX Guidance Note 21.

- (b) A total of 35,087,720 Placement Shares were issued under Listing Rules 7.1 and 7.1A as follows:
 - (i) 26,133,596 Placement Shares under Listing Rule 7.1; and
 - (ii) 8,954,124 Placement Shares under Listing Rule 7.1A.
- (c) The Placement Shares are fully paid and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Placement Shares were issued on 22 August 2025 at A\$0.57 each.
- (e) The proceeds from the Placement will be applied towards accelerating exploration across its 100%- owned Blue Moon Prospect, located in the Bendigo Goldfield region in Victoria, Australia and general working capital.
- (f) There are no other material terms to the agreement for the issue of the Placement Shares.
- (g) A voting exclusion statement is included in this Notice.

6.4 Board Recommendation

Each of Resolution 7 and 8 is a separate ordinary resolution and are not inter-conditional.

The Board recommends that Shareholders vote in favour of Resolution 7 and 8.

7. Resolution 9: Approval of 10% Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 9 seeks Shareholder approval by way of special resolution for the Company to have the 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

The potential advantages of having the 10% Placement Capacity provided for in Listing Rule 7.1A include:

- (a) Falcon is an exploration company, operating in a sector where quick access to capital is critical to secure exploration assets and deliver sustainable value to shareholders;
- (b) Given this industry environment, we are asking our shareholders to give us advance approval to issue up to 25% of the issued capital without specific reference to shareholders to approve the specific transaction. This is the maximum permissible under ASX Listing Rules;
- (c) Falcon does not necessarily expect to invoke this additional capital raising facility in a given year. However, if and when an opportunity arises, in our experience it is necessary to act quickly;
- (d) At all times, the guiding principle of our placement allocation policy will be to advance the interests of all of our existing non-associated shareholders; and

Notice of General Meeting

- (e) We are mindful of the position of long-term portfolio investors with regard to dilution risks from any deployment of this enhanced placement capacity, and will ensure that due regard is taken to this in our allocation policy through our bankers and brokers.

If Resolution 9 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 9 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Information on 10% Placement Capacity

(a) Quoted securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company currently has one class of Equity Securities quoted on the ASX, being Ordinary Shares (ASX Code: FAL).

(b) Formula for 10% Placement Capacity

If this Resolution 9 is passed, the Company may issue or agree to issue, during the 12-month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

$$\text{Additional Placement Capacity} = (A \times D) - E$$

A = the number of fully-paid ordinary securities on issue at the commencement of the Relevant Period:

- plus the number of fully-paid ordinary securities issued in the Relevant Period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully-paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully-paid ordinary securities issued in the Relevant Period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the Relevant Period; or
 - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the Relevant Period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;
- plus the number of partly-paid ordinary securities that became fully-paid in the Relevant Period;
- less the number of fully-paid ordinary securities cancelled in the Relevant Period;

Notice of General Meeting

D = 10%; and

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

7.3 Listing Rule requirements

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 7:

(a) Period for which the 10% Placement Capacity is valid

The 10% Placement Capacity will commence on the date of the Meeting at which the Shareholder approval is obtained and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting (i.e. 29 October 2026), presuming Shareholder approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price at which equity securities may be issued

Any Equity Securities issued under the 10% Placement Capacity will be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

(c) Use of funds raised under 10% Placement Capacity

The Company intends to use funds raised from issues of Equity Securities under the 10% Placement Capacity for:

- (i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
- (iii) the development of the Company's current business; and
- (iv) general working capital.

(d) Risk of voting dilution

If Resolution 9 is passed and the Company issues securities under the 10% Placement Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- (i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date Shareholder approval is obtained for this Resolution; and

Notice of General Meeting

- (ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below shows the potential dilution of existing Shareholders following the issue of Equity Securities under the 10% Placement Capacity (based on the formula set out above) using difference variables for the number of issued Ordinary Shares and the market price of Ordinary Shares. The table overleaf is calculated using the closing market price of Shares and the number of Equity Securities on issue as at 25 August 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

		Dilution			
Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.44	\$0.87	\$1.74
			50% decrease	Issue Price	100% increase
			Funds Raised		
Current	212,645,027 Shares	21,264,503 Shares	9,250,059	18,500,117	37,000,235
50% increase	318,967,541 Shares	31,896,754 Shares	13,875,988	27,750,176	55,500,352
100% increase	425,290,054 Shares	42,529,005 Shares	18,500,117	37,000,235	74,000,469

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are 212,645,027 Shares on issue as at the date of this Notice (ASX Code: FAL).
- The issue price set out above is the closing price of the Shares on the ASX on 25 August 2025.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Notice of General Meeting

- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (1) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (1) the purpose of the issue;
- (2) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (5) prevailing market conditions; and
- (6) advice from corporate, financial and broking advisers (if applicable).

Schedule 2 VALUATION OF RELATED PARTY OPTIONS

The Related Party Options to be issued to the Related Parties pursuant to Resolutions 3 - 6 have been valued by internal management. Using the Black & Scholes option model and based on the assumptions set out below, the Related Party Options were ascribed the following value:

Assumptions		
Series	Expiring 30 June 2028	Expiring 30 June 2029
Valuation date	25 August 2025	25 August 2025
Market price of shares	\$0.87	\$0.87
Exercise price (Note 1)	\$0.20	\$0.20
Expiry date (length of time from issue)	3 years	4 years
Risk free interest rate	3.38%	3.38%
Volatility (discount)	174%	175%
Indicative value per Related Party Option	\$0.742	\$0.762
Total Value of Related Party Options	\$2,828,460	
Mark Bennett	\$722,160	
Tim Markwell	\$902,700	
Alex Dorsch	\$601,800	
Katina Law	\$601,800	

Note 1: Consistent with Falcon's previous practice, the Related Party Options were granted to directors subject to shareholder approval, as soon as practicable following the end of the financial year. It has been Falcon's practice since listing to grant options to directors and employees at the same time to ensure that board and employees goals are aligned. In the current year, the exercise price was determined to be \$0.20 being 150% to the 20-day Volume Weighted Average Price (VWAP) to 1 July 2025. Following the exploration success since then, the market price of the shares has increased, resulting in a significantly higher indicated value per Related Party Option compared to valuation at grant date (Indicative value being \$0.109 for options expiring 30 June 2028 and \$0.116 for options expiring 30 June 2029).

Notice of General Meeting

Schedule 3 SUMMARY OF MATERIAL TERMS OF PLAN

The following is a summary of the material terms and conditions of the Plan:

1. **(Eligible Participant):** A person is eligible to participate in the Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:

- (a) an employee or director of the Company or an individual who provides services to the Company;
- (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
- (c) a prospective person to whom paragraphs (a) or (b) apply;
- (d) a person prescribed by the relevant regulations for such purposes; or
- (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. **(Maximum allocation):** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

- (a) the total number of Plan Shares (as defined in paragraph 13 below) that may be issued or acquired upon exercise of the convertible securities offered; plus
- (b) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.

3. **(Purpose):** The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

4. **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

Notice of General Meeting

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation. A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
7. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
9. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

10. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under

Notice of General Meeting

the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

11. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

13. **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

14. **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

15. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights

16. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of

Notice of General Meeting

the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

17. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

18. **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

19. **(Employee Share Trust):** The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Options or Performance Rights.
